STAINLESS STEEL HY-VIZ MARKERS

Hy-Viz fabricates the most corrosion resistant & strongest markers made! **Hand-bent** from **3/8" Aircraft Quality** 304 stainless & wrapped with **your choice** of reflective colors- perfect when you **NEED** a strong marker -Or when you want **the BEST!** Recycle those "**Rusty Rebars**" & NEVER paint your markers again!

These are installed in sand dunes, have been made **10 feet high** for ski lodges, have had tree limbs fall on them, buildings removed around them, farm equipment run into them, salt water sprayed on them year round, **without one** report of corrosion or breakage!

"You may bend 'em, but you aint breaking them!"

Before you think they are "Big Brutes" - these have also been installed in areas where the towns demanded classy, refined markers. They have been placed at 9.11 memorials and more (we provide them free for 9.11 memorial sites) .

These are the most adaptable markers we make, perfect for any area! Every marker we make is **100% Custom Made 100% of the time In the U.S.A!** Hy-Viz markers get your hydrants noticed, in rain, fog, snow, **behind parking violators**, debris, in fields, or dark roads, **our markers do the job year round!**

"Phoenix banding" with crystal flag shown

"Patriot"

Traditional

"Creamsicle"

"Samson"

"Phoenix"

< These are only samples of the colors you can choose. **YOU have complete control** on how your marker will look. You can mix and match colors, mark Main and Flow rates, match town colors and more! The choices are endless!
