Fax: 973-478-1943

~~ Mounting Styles Data Sheet ~~

Bolt Mount:

- 1) Remove existing bolt from hydrant
- 2) Position Mount
- 3) Reinstall Bolt

When hydrant is needed, spring allows marker to be moved out of the way, not interfering with any operation!

3/16" Thick

At only one inch wide, the **Hy-Viz bolted** mount will fit into any space!

The bolted mount has a heavy corrosion resistant coating, so whether you paint it or not, it will look great!

The 5/8" hole will allow any bolt to pass through, we can also supply longer bolts if needed.

"Sexy 33" Ring mount

- 1) Remove outlet cap.
- 2) Slide marker over outlet.
- 3) Re-install cap, holding Hy-Viz marker in place

Notice how our ring mount's offset allows the Hy-Viz Marker to clear ANY overhang! It also makes it completely adjustable for any tilt in the hydrant.

The ring mount has an inside diameter of 3 3/8".

They are also FULLY adjustable to fill any gap!

You can offset the opening to form a "lock washer" effect, locking your Hy-Viz marker in place! ...**tightly!** We can also supply spacers for stubborn caps!

Our Bolt mount can be made in stainless steel, bent at any angle ~ and any size or thickness! We WILL make the perfect mount for your needs!

Our exclusive hand bent stainless teardrop loop has a 3 3/8 inch inside diameter to easily clear the threads of the outlet.

We can also fabricate hand made offset ring mounts to clear any bonnet overhangs!

Don't forget our Standard or Offset STEAMER Mounts!

All ring mounts come with polyurethane bushings to help "lock" them in place and as with all our hydrant markers, proudly made in the USA!

Remember these are our "stock" mounts, we can CUSTOM make ANY mount to meet your exact needs!

Compare our **PRODUCTS**, our **PRICES**, and our **Designs** and see why we have "The **BEST** markers you can buy for Quality and Value!"

Thank you for your interest in our products! Please visit our website at www.hyviz.com for more information, or contact us anytime! **Women owned -- Family run -- we care!**
